PETITION TO INTERVENE

OF

NEW ENGLAND PUBLIC COMMUNICATIONS COUNCIL INC.

COMES NOW, the NEW ENGLAND PUBLIC COMMUNICATIONS COUNCIL, INC. ("NEPCC"), acting through counsel and in accordance with Section 1.03 (1) of the Rules of the Department of Telecommunications & Energy ("DTE")(1), and hereby petitions to intervene as a party in the captioned proceeding. In support thereof, the NEPCC sets out the following:

1. The NEPCC is a Massachusetts non-profit corporation with its current principal place of business as 103 Mechanic Street, Bay E, Marlboro, MA 01752. Its current principal business activity is as a trade association whose members include providers of competitive pay telephone service at various locations throughout the Commonwealth. The NEPCC's members compete directly with Verizon Massachusetts ("VM") in the provision of payphone service. At the same time, all the NEPCC payphone provider members are customers of VM because they must subscribe to Public Access Lines provided by VM under tariffs approved by the DTE for access to VM's local exchange network, which access is essential to all NEPCC member's ability to provide pay telephone service and compete with VM.
2. In this proceeding, the Department plans to investigate BA's Sixth Annual Price Cap Filing. The NEPCC has participated in previous dockets involving earlier such filings (e.g., D.P.U. 94-50, D.P.U. 97-67, D.T.E. 99-102). VM is proposing various rate adjustments which may have a potential impact on the NEPCC's members. In addition, there may be other rate issues which the NEPCC believes that the Department should assess in this proceeding. Therefore, as a potentially affected "customer" and competitor of VM, the NEPCC members have a direct interest in the outcome of this proceeding.
3. The NEPCC's interest in this proceeding cannot be adequately addressed or represented by any other party. Consequently, the NEPCC's participation in this proceeding will help ensure the development of a comprehensive record, while affording the NEPCC the opportunity to protect its interests. The extent of the NEPCC's participation in this docket will depend upon the scope of the proceeding as determined by the DTE and the parties to this proceeding.
